

12th December 2009, Lund

Dear Mr. Koranyi,

It is my great pleasure, on behalf of the members of the ESS Steering Committee and following the Letter of Intent between the Swedish side and the Hungarian side, to warmly welcome you as a member of the ESS group of Partners. Hungary has contributed much to the ESS project in the past and has much to contribute in the future and we look forward to working together to make ESS a reality.

As a Partner, Hungary will have representation at the Steering Committee and other formal bodies of ESS. The next meeting of the Steering Committee will be held in Copenhagen on 3rd February 2010 and I look forward to your presence there. You will receive papers and details of the meeting in January from Monica Nilsson, ESS Meeting Coordinator, but in the meantime it would be helpful to know who would be the two Hungarian representatives and their contact details.

With my thanks and best wishes,

Colin Carlile
Director ESS
